

Each day it gets harder to trust people.

towards reaching your goal!

Gender, age, competition level, location...

Analize, set a goal, plan, select, organize, work, evaluate, correct, believe...

What is expected from us...

Competence, inteligence, responsability, stability, autocontrol, flexibility, optimism, effort, motivation, empathy, communication skills, dedication, persistence, care for others, trust in others AND A LOT MORE...

...show and tell what it is that you are feeling.

VICTORY IS AN EMOTION WE FEEL AFTER GIVING EVERYTHING FOR IT

A leader is a slave... WITH FAITHFULL EYES

A leader will go ... WHEN NO ONE DOES

A leader "leads" with ideas... NOT ONLY HIS IDEAS

A leader organizes work... RESPECTING THE DIFFERENCES

A leader believes in people... HE CAN'T HIDE IT

A leader always says "let's go"... NEVER JUST "GO"

A leader wants others to work with him... NEVER FOR HIM

A leader uses its public relations... TO VALORIZE THE ATHLETES A leader is fun ... USING ITS HEAD AND BEING RACIONAL

MY COACHING PHILOSOPHY

- 1. Give more than expected. Excelence is a gradual result of always working in order to be better.
 - 2. Balanced relationship between ambition and work.
 - 3. Giving opportunities for creative development.4. In order to win we need good players. In order to have

PILARS

- 4. In order to

 good players we need a good team.

 5. If you want to be competitive, you must work on
 - being it.

MY COACHING PHILOSOPHY

"INTELLIGENT PEOPLE ALLOW THEIR KIDS TO MAKE

MISTAKES" (Mahatma Gandhi)

COURAGE

"WHO WISHES TO LEARN WILL FIND THE RIGHT WAY. WHO DOESN'T WILL FIND EXCUSES." (Pablo Picasso)

MY COACHING PHILOSOPHY

Individual approach- respect differences (cultural,

social, racial, habits...)

I can't be a coach if I don't like my players, but that

doesn't mean I have to like their excuses and their

comfort zones.

Never forget that the best part of the game is the opportunity to play, not because the players want to

but because they deserve to.

REMINDER

A lot of coaches know about "basketball",

BUT NOT EVERY COACH KNOWS HOW TO TRANSMIT IT!

A coach can and likes to criticize,

BUT HE SHOULD START WITH HIMSELF!

Success of a coach is the success of its team

BUT IT ALSO IS THE SUCCESS OF ITS PLAYERS!

If you didn't have time to prepare everything, very likely... YOU DIDN'T CHOOSE

THE RIGHT THINGS TO PREPARE

If you didn't have time to say

everything you wanted to say...

ANALIZE WELL WHAT YOU CHOSE TO SAY!

A better prep for your opponent gives you a better chance to win the game,

BUT TO DISCOVER THE MOTIVATION MECHANISMS

OF YOUR PLAYERS

results in...

BEING UNFORGETTABLE!

"THE LAW OF THE MIRACLE REMINDS US THAT WE CAN ONLY HAVE THE THREE THINGS WE LOOK OUR ENTIRE LIVES, FREEDOM, PEACE AND HAPPINESS, IF WE GIVE IT TO OTHERS."
